

Clos des Mouriaux | Alderney | GY9 3UY
€169,000

Delightful first floor apartment on the outskirts of St Anne.

This well maintained apartment features a large sunny lounge/diner with a feature fireplace with alcoved shelving to either side.

The compact kitchen is in need of some renovation but is in reasonable and functioning condition.

The bathroom features a bath with built in shower over.

To the exterior there is a balcony off the dining area, west facing with enough room to catch the sunset.

To the rear is a small private area of well maintained garden. There is no private access to the garden as it forms part of shared sections of garden, this one being the only one laid to lawn and plants.
