Auction Price Information

Guides are provided as an indication of each seller's minimum expectations. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Each property will be offered subject to a Reserve (a figure below which the Auctioneer cannot sell the property during the auction) which we expect will be set within the Guide Range of no more than 10% above the single figure Guide.

Guidance to Buying At Auction

Attention is drawn to the general and special conditions of sale. If one is the successful bidder, upon the fall of the gavel there is a binding contract. The purchaser is immediately at risk in relation to the property and therefore should ensure that he has the ability to complete on the appropriate day and also ensure that insurance cover is made. Completion will take place within 28 working days of the Agreement. The successful bidder will sign a contract on the night of the sale and pay 10% deposit of the purchase price and a Buyer's Premium of £500 + VAT. . The Auctioneer has the right, as Agents for the Vendors, and the Purchasers at this stage to complete the contract. Any guide price mentioned in negotiations or discussed with the Auctioneer, or any of their representatives, should not be relied upon by a prospective purchaser as representing a professional opinion for any purpose in accordance with the requirements or guidance notes of the relevant bodies.

There may be additional costs listed in the Special Conditions of Sale, which will be available to view within the Legal Pack. These additional costs will be payable to the seller's solicitor on Completion. You must read the Legal Pack carefully before bidding.
