

Le Huret, Alderney

£410,000

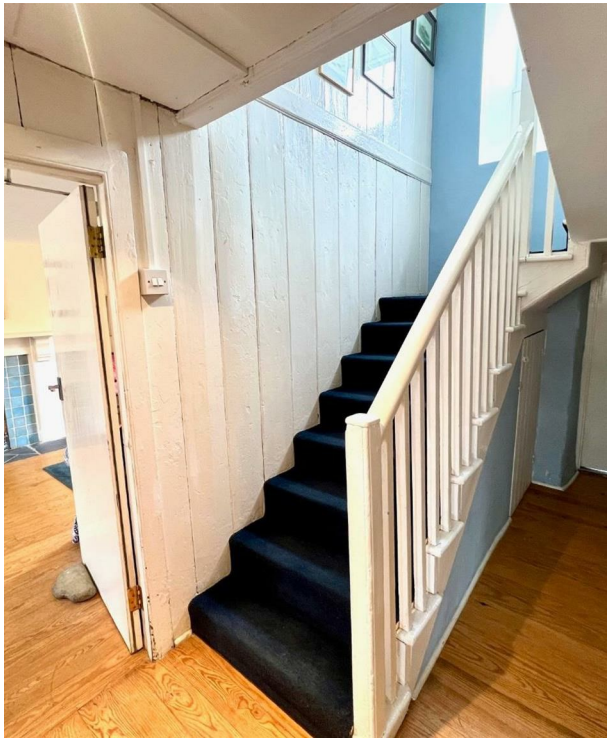

HAWKESFORD

A delightful 4 bedroom 2 bathroom twin house , set in the heart of St. Anne.
The property has just been decorated, the house oozes character from the moment you walk in, with cosy
yet spacious rooms, this is a little gem.

The ground floor consists of a spacious entrance hall, leading into a cosy lounge with views out to garden, a large dining room leading to a fully fitted kitchen and out into a fabulous South West facing garden.

The first floor has two very large double bedrooms and a house bathroom, the second floor has another two double bedrooms and a second bathroom.

What makes this town house special is the fabulous garden ! large palm trees adorn the garden as if you were in an oasis yet in the centre of town, and a German bunker to boot ! Now that is special.

The house is located in what has now been called "Alderney's Mayfair" as many of its neighbouring properties have undergone total renovation, and sits opposite the now famous Blonde Hedgehog Hotel.

This home must be seen to be fully appreciated !
